

# Ohio Interstate Construction - 2001

## District 1

### 1 I-75 Hancock County

Pavement rehabilitation from south of U.S. 68 to CR 99. Lane closures primarily from midnight Sundays until early Fridays. Some weekend night work may occur. Expect backups. Motorists advised to take alternate routes SR 613 and SR 235.  
Begin: June 2001/Complete: September 2001

### 2 I-75 Allen County

Overhead work on U.S. 30 over I-75 will restrict traffic on I-75 at times. Backups minimal.  
Begin: February 2001/Complete: October 2001

### 3 I-75 Allen/Hancock Counties

Raised pavement marker replacements from Auglaize Co. line to Wood Co. line. Intermittent lane closures necessary. Backups minimal.  
Begin: July 2001/Complete: October 2001

## District 2

### 4 I-75 Lucas County

Resurfacing and bridge deck replacement will continue on I-75 between I-280 and I-475 in Toledo. Reduced to one lane each direction between March 15 and November 1, 2001. Lengthy delays anticipated. Motorists should seek alternate routes.  
Begin: March 2001/Completion: November 2001

### 5 I-75 Wood County

Resurfacing of I-75 between SR 199 and SR 582. Daytime lane restrictions are likely during pavement repair phase; resurfacing will be between the hours of 10 p.m. and 6 a.m.  
Begin: May 2001/ Completion: August 2001.

### 6 I-75 Wood County

CSX railroad overpass widening on I-75, just north of SR 18 and the Wood-Hancock County line. Two lanes of traffic maintained each direction. Motorist delays anticipated.  
Begin: February 2001 /Completion: Late Fall 2001

### 7 I-75 Wood County

Replacement of Wales Road overpass at I-75 in Northwood. Wales Road overpass to close for 180 days; Wales Road interchange to close completely for 60 days. Two lanes of traffic maintained during daylight hours.  
Began: November 2000/Completion: Fall 2001

### 8 I-75 Wood County

Replacement of Buck Road overpass at I-75 in Rossford. Buck Road overpass to close for 180 days; interchange to close completely for 60 days. Two lanes of traffic maintained during daylight hours. Buck Road overpass will not close at the same time as Wales Road overpass.  
Begin: July 2001 /Completion: Fall 2001

### 9 I-280 Lucas County

Widening of I-280 between I-75 in Toledo and SR 2 in Oregon as a part of the Maumee River Crossing project. I-280 Craig Memorial Bridge to be replaced as a part of the I-280 new alignment. Two lanes of traffic maintained. Motorists may encounter delays.  
Begin: March 2001/Concludes for the season: November 2001

### 10 I-280 Wood County

Bridge replacement on I-280 between SR 795 and the Ohio Turnpike. I-280 to be reduced to one lane, each direction.  
Begin: March 2001/Completion: October 2001

### 11 I-475 Wood County

Resurfacing of I-475, between I-75 and the Maumee River near Perrysburg. Daytime lane restrictions likely during pavement repair; resurfacing to be done between 10 p.m. and 6 a.m.  
Begin: July 2001/Concludes for the season: November 2001

## District 3

### 12 I-71 Ashland County

Reconstruction and lane addition from U.S. 250 to Wayne Co. line. Two lanes maintained each direction.  
Completion: October 2002

### 13 I-90 Lorain County

Resurfacing and bridge deck maintenance between I-80 and SR 611. Includes widening and reconstruction from SR 611 to SR 83.  
Begin: March 2001/Completion: August 2002

### 14 I-71 Medina County

Reconstruction from one mile south of SR 18 to Cuyahoga Co. line.  
Completion: October 2002

### 15 I-271 Medina County

Reconstruction from I-71 to east of Summit Co. line. One lane open each direction.  
Completion: June 2002

### 16 I-71 Richland/Ashland Counties

Reconstruction and lane addition from ½ mile south of Richland/Ashland Co. line to north of U.S. 250. Two lanes maintained each direction.  
Begin: April 2001/Completion: October 2003

### 17 I-71 Richland County

Reconstruction and lane addition from Richland/Ashland Co. line south to SR 39 interchange.  
Begin: April 2001/Completion: September 2003

**18 SR 2 Erie County**

Phase 2 of SR 2 reconstruction. Rye Beach Rd. bridge closed Sept. 2000, will open in May 2001. One lane maintained each direction.

Completion: June 2001

**District 4****19 I-90 Ashtabula County**

Replacement and widening of SR 45 bridge over I-90. One lane maintained each direction.

Began: February 2001 /Completion: July 2001

**20 I-680 Mahoning County**

Painting of seven bridges. Five bridges in Youngstown and two in Austintown Township. One lane maintained each direction.

Began: October 2000/Completion: November 2001

**21 I-76 Mahoning County**

Rehabilitation of twin I-76 bridges over Lake Milton including deck replacement and widening. One lane maintained each direction.

Began: August 2001/Completion: Fall 2003

**22 I-76 Portage County**

Resurfacing and structure repair from SR 14 to Mahoning Co. line. One lane maintained each direction.

Began: September 2000/Completion: Late Fall 2001.

**23 I-77/U.S. 62 Stark County**

Reconstruction and lane addition on I-77 from 13th St. to the U.S. 62 interchange. Some night lane closures. Some ramp closures. Crossovers used to maintain two lanes each direction.

Began: February 2001/Completion: May 2003

**24 I-77 Stark County**

Replacement of Fohl Road bridge over I-77; painting and resurfacing. Two lanes maintained each direction.

Began: Spring 2001/Completion: Late Fall 2001

**25 I-77 Stark County**

Rehabilitation and widening of twin bridges over Brinker St.; deck replacement and painting. Two lanes maintained each direction.

Began: Spring 2001/Completion: Late Fall 2001

**26 I-77 Summit County**

Reconstruction and lane addition on I-77 from just north of Arlington Rd. interchange to just south of SR 241 (Massillon Rd.) interchange. Two lanes maintained each direction. Some nighttime lane closures.

Began: June 1998/Completion: June 2001

**27 I-77 Summit County**

Rehabilitation of twin bridges over Bath Rd.; deck replacement and widening. Non-peak weekday, weeknight and weekend lane closures.

Began: Spring 2001/Completion: Late Fall 2001

**28 I-77 Summit County**

Replacement and widening of I-77 bridges over Yellow Creek. Repair of localized slide between the two structures and resurfacing from north of SR 18 interchange to north of Everett Rd. Non-peak weekday, weeknight and weekend lane closures.

Began: Spring 2001/Completion: Summer 2002

**29 I-77 Summit County**

Replacement of Killian Rd. bridge over I-77; widening, raising of deck and necessary approach work. Weeknight and weekend lane closures.

Began: March 2001/Completion: Fall 2001

**30 I-77 Summit County**

Replacement, widening and raising of White Pond Dr. bridge over I-77 in Akron. Adjustments to ramps and construction of connector from I-77 north exit ramp to Mull Ave. Two lanes maintained both directions. Some nighttime lane closures. Ramp closures during the project.

Began: Spring 2001/Completion: Spring 2002

**31 I-76 Summit/Portage Counties**

Safety upgrade, resurfacing, and bridge widening and reconstruction from Gilchrist Rd. interchange to the CR 18 interchange. Limited non-peak weekday, weeknight and weekend lane closures. Crossovers used to maintain two lanes each direction. Ramp closures during the project.

Began: Summer 2000/Completion: Summer 2002

**32 I-76 Summit County**

Replacement of signs, supports, sign lighting from Barber Rd. interchange including the I-76 Kenmore leg. Night and weekend lane closures.

Began: Late Summer 2000/Completion: Fall 2001

**33 I-271 Summit County**

Rehabilitation of three twin bridges (total of six) on I-271 at SR 8, SR 8 and the railroad overpasses in the city of Macedonia. Weeknight and weekend lane closures. Limited ramp closures.

Began: Winter 2001/Completion: Fall 2001

**34 I-480 Summit County**

Crack seal preventive maintenance on I-480 from Portage Co. line to Cuyahoga Co. line. Non-peak lane closures with traffic maintained.

Began: Late Summer 2001/Completion: Spring 2002

**35 I-80 Trumbull County**

Bridge painting of four structures between Salt Springs Rd. to just east of U.S. 62/SR 7 interchange. Non-peak lane closures with traffic maintained.

Began: Summer 2000/Completion: Spring 2001

**36 I-80 Trumbull County**

Four lane resurfacing of I-80 from Rappel Hendrick Rd. to Pennsylvania state line. Non-peak lane closures.

Began: Spring 2001/Completion: Spring 2002

## District 5

### **37 I-70/SR 37 Interchange Licking County**

Interchange upgrade. Intermittent nighttime interstate lane closures for overhead bridge work.

Begin: April 2000/Completion: November 2001

## District 6

### **38 I-70 Franklin County**

Major reconstruction from I-70/71 split to the Fairfield Co. line. Traffic maintained. Construction in 2001 will be from James Road east to the I-71/70 split. Several entrance ramps to I-70 to close. Most exit ramps from I-70 to remain open.

Began: February 2000/Completion: Fall 2001

### **39 I-70 Franklin County**

Bridge painting over Scioto River just east of SR 315. Traffic maintained.

Begin: Spring 2001/Completion: Late Fall 2001

### **40 I-70 Franklin County**

Nighttime resurfacing from Madison Co. line to Hilliard Rome Road. Traffic maintained.

Begin: Summer 2001/Completion: Summer 2002

### **41 I-71 Fayette County**

Nighttime resurfacing from Greene Co. line to Madison Co. Traffic maintained.

Begin: Spring 2001/Completion: September 2001

### **42 I-71 Delaware/Franklin Counties**

Reconstruction and widening of I-71 from just south of SR 161 to north of U.S. 36/SR 37 in Delaware Co. Traffic maintained.

Begin: February 14, 2000/Completion: Fall 2002

### **43 I-270 Franklin County**

Nighttime resurfacing of Worthington section of the North Outerbelt between the CSX tracks and I-71. Part of widening project completed in 2000. Traffic maintained.

Begin: Summer 1999/Completion: Late Fall 2001

### **44 I-270 Franklin County**

Pavement repair from north of U.S. 62 to north of Trabue Rd. Traffic maintained.

Begin: Summer 2001/Completion: Fall 2001

### **45 I-270 Franklin County**

Nighttime resurfacing from I-71 to U.S. 23 on south side of Columbus. Traffic maintained.

Begin: Spring 2001/Completion: August, 2001

### **46 I-670 & SR 315 Franklin County**

Work on the Spring-Sandusky Interchange will continue. SR 315 will open to traffic by March 2001. Work to construct I-670 between Grandview Avenue and SR 315 continues. Work on I-670 from SR 315 to I-71 begins in 2002.

Begin: Spring 1993/Completion: Fall 2004

## District 7

### **47 I-70 Clark County**

Resurfacing between the interchanges of SR 235 and SR 4. Two lanes maintained during the day. Most work conducted at night with one lane each direction. Expect long delays during night travel.

Begin: Spring 2001/Completion: Fall 2001

### **48 I-70 Clark County**

Concrete pavement repairs between the interchanges of SR 40 and SR 54. One lane of traffic on Tuesdays, Wednesdays and Thursdays during various time periods throughout project. Two lanes of traffic maintained all other times. Expect long delays.

Begin: Summer 2001/Completion: Fall 2001

### **49 I-75 Miami County**

Major widening and lane addition. Work continues between interchanges at CR 25-A (north of Tipp City) and SR 41 (Troy). Two lanes maintained during the day. Traffic may be restricted to one-lane at night. Speed limit reduced to 55 mph; fines doubled for offenders.

Begin: Ongoing/Completion: July 2003

### **50 I-70 Montgomery County**

Four-lane resurfacing from SR 49 interchange to Airport Access Rd. Two lanes maintained. Minimal impact to traffic.

Begin: April 2001/Completion: May 2001

### **51 I-70 Montgomery County**

Four-lane resurfacing from Montgomery/Preble Co. line to SR 49 interchange. Two lanes maintained during the day. Most work to be conducted at night with traffic restricted to one lane. Expect long delays during nighttime travel.

Begin: April 2001/Completion: October 2001

### **52 I-70 Montgomery County**

Four-lane resurfacing from east of I-75 interchange to the Montgomery/Clark Co. line. Two lanes maintained during the day. Most work conducted at night with traffic restricted to one lane. Expect long delays during nighttime travel.

Begin: April 2001/Completion: June 2001

### **53 I-75 Montgomery County**

Four-lane resurfacing from the interchanges of Wagoner Ford Rd. and Neva Dr. Two lanes maintained during the day. Most work will be conducted at night with traffic restricted to one lane. Expect long delays during nighttime travel.

Begin: April 2001/Completion: June 2001

### **54 I-75 Montgomery County**

Bridge rehabilitation and resurfacing from south of the SR 741 interchange (near the U.D. Arena) to the SR 4 interchange (Dayton Expressway). Two lanes maintained during the day. Night work with traffic restricted to one lane. Various ramp closures to downtown. Detours posted. Expect long delays. All through traffic use alternate I-675.

Begin: March 2001/Completion: December 2001

**55 I-75 Montgomery County**

Noise wall construction between the interchanges of Wagoner Ford Rd. and Stop Eight Rd. Two lanes maintained. Occasional lane width restrictions at night.

Begin: Ongoing/Completion: Summer 2001

**District 8**

**56 I-71 Hamilton County**

Resurfacing, pavement and bridge repairs between I-275 and Stewart Rd. Nightly lane closures from 9 p.m. to 5:30 a.m.

Begin: Spring 2001/Completion: Spring 2002

**57 I-71 Hamilton/Warren Counties**

Widening between I-275 and SR 48. Three lanes open each direction between I-275 and Western Row Rd. Two lanes open each direction between Western Row Rd and SR 48.

Began: Summer 1998/Completion: Fall 2001

**58 I-75 Hamilton County**

Resurfacing between I-74 and the Ohio River. Nightly lane closures from 9 p.m. to 5:30 a.m.

Begin: Summer 2001/Completion: Fall 2001

**59 I-75 Hamilton County**

Improve interchange at Paddock Rd. Nightly lane closures from 9 p.m. to 5:30 a.m. Various ramp closures.

Begin: Spring 2001/Completion: Fall 2002

**60 I-75 Hamilton County**

Paint overpasses between Glendale-Milford Rd. and Shepherd Ln. Nightly lane closures from 9 p.m. to 5:30 a.m.

Begin: Spring 2001/Completion: Fall 2001

**61 I-275 Hamilton/Clermont Counties**

Resurfacing, pavement and bridge repairs between Montgomery Rd. and U.S. 50. Nightly lane closures from 9 p.m. to 5:30 a.m.

Begin: Spring 2001/Completion: Fall 2002

**62 I-471 Hamilton County**

Replace pavement and repair ramps and bridges between I-71 and the Kentucky line. One lane open each direction. Various ramp closures.

Begin: Spring 2001/Completion: Fall 2001

**63 I-70 Preble County**

Resurfacing and bridge repairs from the Indiana line to the Montgomery Co. line. Nightly lane closures from 9 p.m. to 6 a.m.

Began: Summer 2000/Completion: Fall 2001

**District 10**

**64 I-77 Noble County**

Five miles of reconstruction beginning one mile south of Caldwell and ending at Belle Valley. After April 1 the route will be restricted to one lane each direction.

Begin: March 2001/Completion: November 2001

**District 11**

**65 I-77 Tuscarawas County**

Four-lane major rehabilitation beginning a mile south of the Newcomerstown interchange and extending four miles to CR 23. One lane of traffic maintained each direction, some congestion is likely.

Begin: March 2001/Completion: July 2002

**66 I-77 Tuscarawas County**

Bridge deck overlay just north of Guernsey Co. line. Traffic maintained.

Begin: August 2001/Completion: October 2001

**67 I-70 Belmont County**

Sign upgrade from U.S. 40 interchange west of St. Clairsville to West Virginia border. Traffic maintained with minimal delays on non-peak hours during overhead sign installation.

Begin: Summer 2001/Completion: June 2002

**District 12**

**68 I-71 Cuyahoga County**

Reconstruction and lane addition from the Medina Co. line to U.S. 42. Northbound section completed. All work in southbound direction.

Begin: Under construction/Completion: Summer 2001

**69 I-90 Cuyahoga County**

Resurfacing from Bratenahl east corp. line to the Lake Co. line. Overnight and off-peak hour lane closures.

Begin: Summer 2000/Completion: Summer 2001

**70 I-90 Cuyahoga County**

Widening from the Lorain Co. line to SR 252. Two lanes maintained, but shifted with short-term lane closures. Work begins eastbound. Westbound work starts 2002.

Begin: Spring 2001/Completion: Fall 2002

**71 I-90 Cuyahoga County**

Resurface Innerbelt from E. 14th St. to SR 2. Short-term overnight lane closures.

Begin: Spring 2001/Completion: Fall 2001

**72 I-90 Cuyahoga County**

Resurfacing from W. 44th St. to I-490. Left lane closed for 45 days. Short-term overnight lane closures.

Begin: Spring 2001/Completion: Fall 2001

**73 I-490 Cuyahoga County**

Resurfacing from I-90/I-490 split to E. 55th St. Overnight and off-peak hour lane closures.

Begin: Spring 2001/Completion: Fall 2001

**District 12 (continued)**

**74 I-90 Lake County**

Bridge repair and painting of eleven bridges from SR 84 to Ford Road. Short-term and off-peak hour lane closures.  
Begin: Summer 2000/Completion: Summer 2001

**75 I-271 Cuyahoga County**

Bridge deck replacement over Tinker's Creek in Bedford/Bedford Hts. Three lanes maintained each direction.  
Begin: Spring 2000/Completion: Summer 2002

**76 I-271 Cuyahoga County**

Bridge deck replacement of Rockside Road bridge over I-271 in Bedford Hts. Two-way traffic maintained with detour for trucks making left hand turns from exit ramps. Temporary overnight lane closures on I-271.  
Begin: Spring 2001/Completion: Fall 2001

**77 I-480 Cuyahoga County**

Painting the Valley View bridge between Transportation Blvd. in Garfield Hts. to I-77. Overnight and off-peak hour lane closures.  
Begin: Under construction/Completion: August 2001

**78 I-480 Cuyahoga County**

Crack sealing from Tuxedo Ave. to Valley View bridge. Short-term lane closures with overnight work.  
Begin: Spring 2001/Completion: Fall 2001

**79 I-480 Cuyahoga County**

Pavement repair from the Lorain Co. line to the Rocky River bridge. Short-term lane closures  
Begin: Spring 2001/Completion: Summer 2001

**80 I-77, I-90, I-71 Cuyahoga County**

Repairs and overlay on seven bridges will involve weekend closures of the interstate in one direction. I-77 north and southbound over I-490; I-90 Innerbelt ramp to I-90 westbound; I-71 ramp to I-90 westbound.  
Begin: Summer 2001/Completion: Fall 2001

**81 I-271 Cuyahoga County**

Deck replacement of I-271 bridges over Marsol Rd. and Mayfield Rd. Overnight and weekend lane closures.  
Begin: Summer 2001/Completion: Fall 2001
