

**Notice from the Office of Contracts**  
**Re: Work Type 26-Structural Steel Painting**  
**June 24, 2008**

---

Please be advised that the Department will be offering an additional Bridge Painting Pre-Qualification course on **July 14<sup>th</sup>, 2008**. The class will be held, at the Office of Aviation, 2829 Dublin-Granville Road, Columbus, Ohio 43235-2786 in Room 100. The class will start promptly at 9:00 AM and last until approximately 4:30 PM. The Department will be accepting course registration requests on a first come basis. Valid identification will be required to attend the course.

At the end of the course, the Department will hand out certificates of attendance which are required to obtain Work Type 26-Structural Steel Painting. This certificate is also required for the Contractor's QC specialists, superintendent or foreman assigned to supervise the Contractor's structural steel painting on a project.

To register, you must complete the registration form at the following URL:
