

## ***Local Action Plans:*** **Your Vision: Making it Happen**

The “Programmatic Environmental Impact Statement” study phase is next

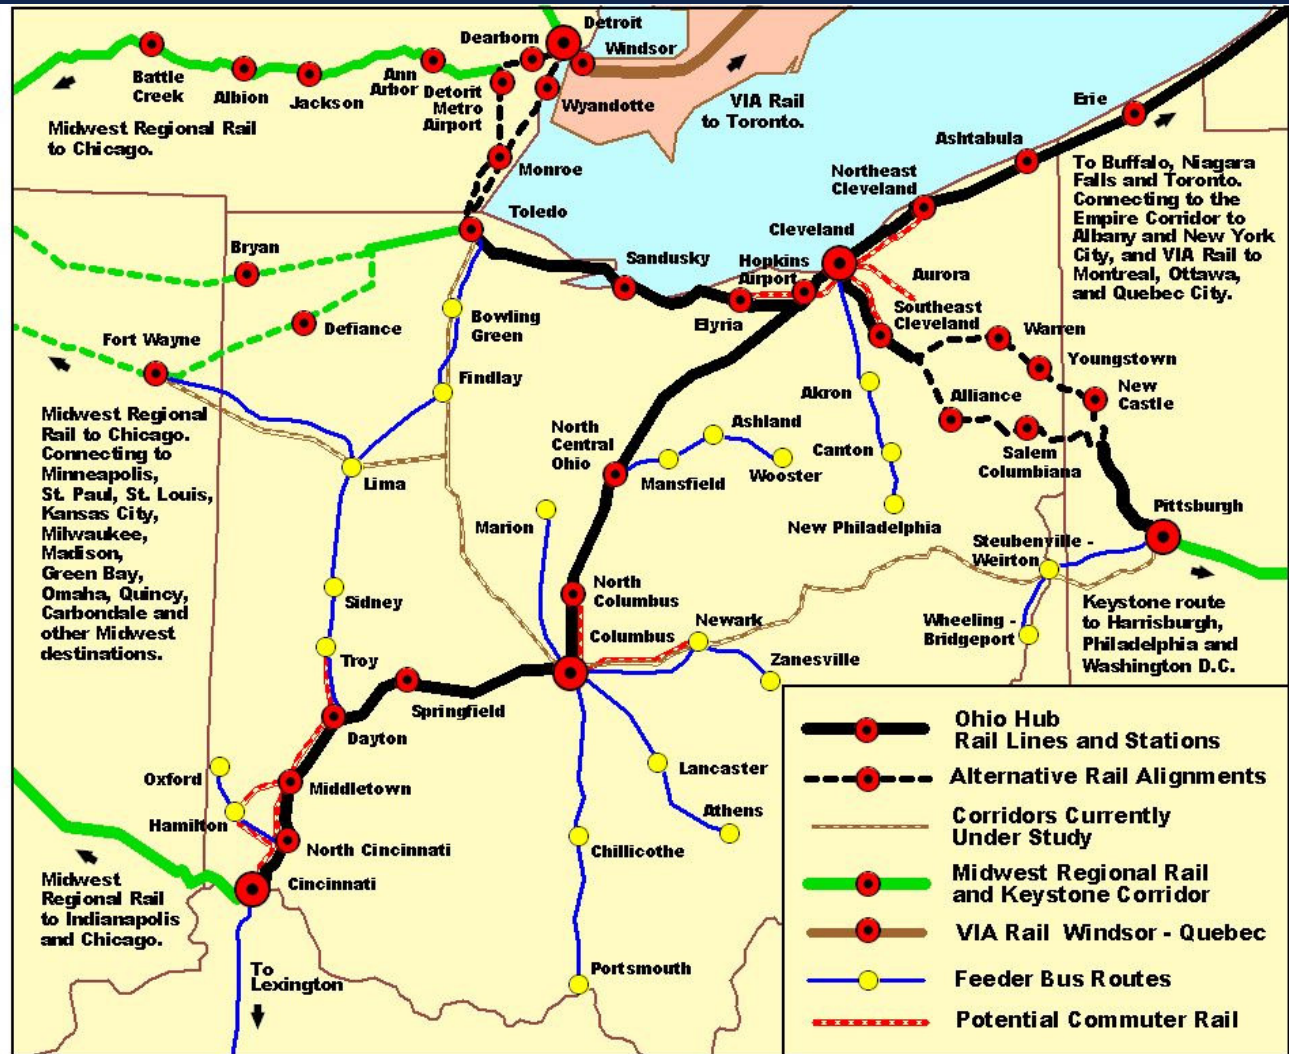

This will move the Ohio Hub from corridor-level planning to specific routes, alignments and station locations

What is your role in this next step?

# Current forecasts based on this map

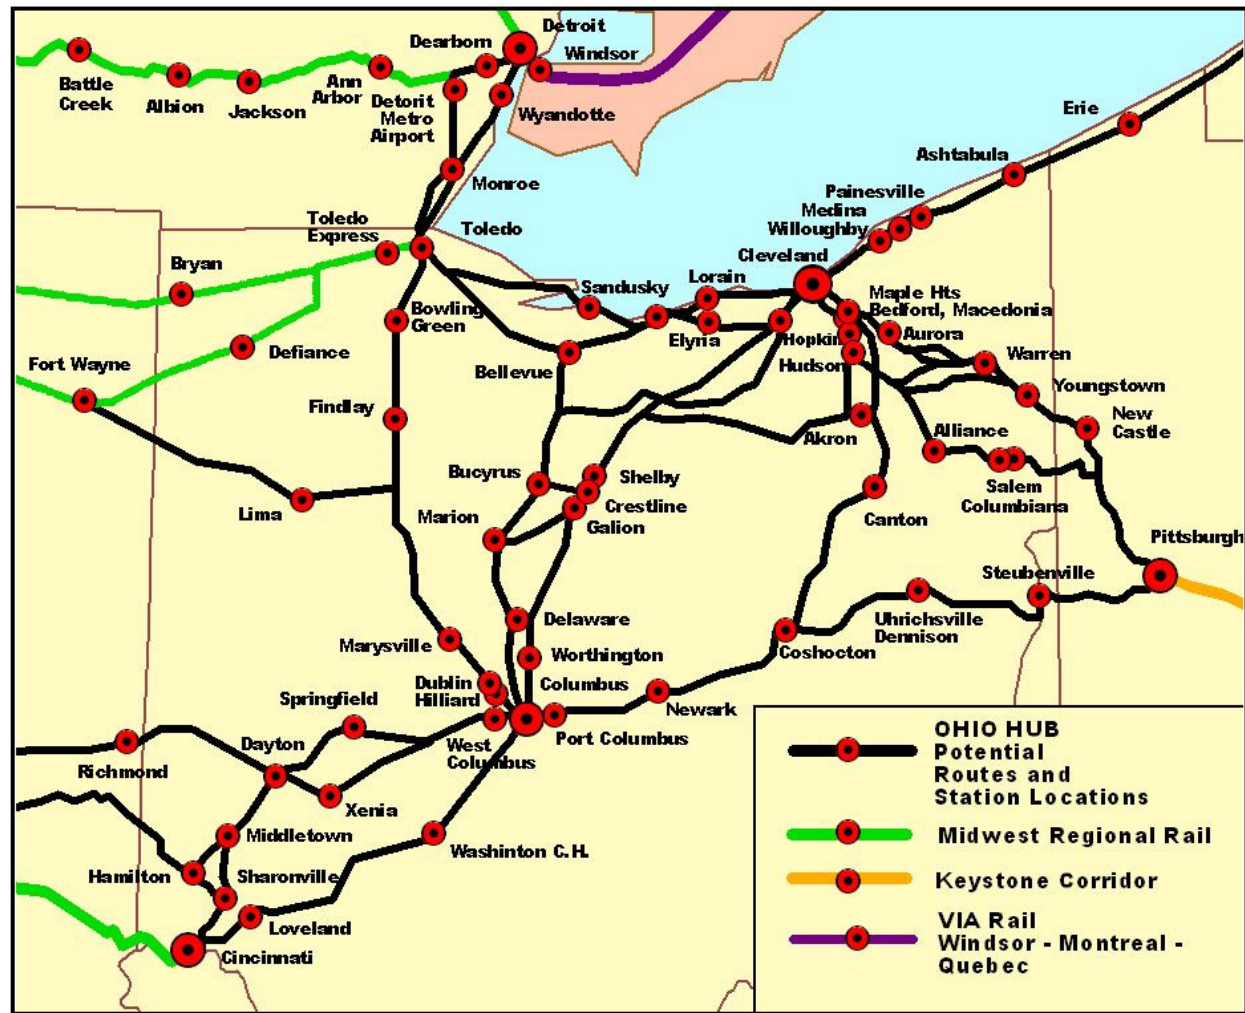

(See handout)

# THE OHIO HUB

More stations, routes will be considered in next study phase (see handout)

## **Individual/small group exercise:**

**Individuals fill out questionnaires**

**Small group discussions on:**

**Common/unique obstacles**

**Common/unique opportunities**

**How ORDC and your community can work together**

**Report out to expert panel**
