Freight Rail Projects / New ORDC Executive Director on Commission Agenda

(Columbus) -- Four freight rail projects, including replacement of an important rail bridge in Fayette County and funds for emergency track repairs to a Cleveland area railroad, are among the items for consideration by the Ohio Rail Development Commission at their regular meeting:

Thursday, January 11, 2007

10:00 A-M

Vern Riffe Center

31st Floor

Rooms South B&C

Downtown Columbus

Also on the agenda will be an Executive Session to discuss a permanent Executive Director to fill the position vacated by the retirement of James Seney in September, 2006.

The agenda and details on the four freight rail projects are now available on-line on the ORDC website: <http://www.dot.state.oh.us/ohiorail/>

(The Ohio Rail Development Commission is an independent agency operating within the Ohio Department of Transportation. ORDC is responsible for economic development through the improvement and expansion of passenger and freight rail service, railroad grade crossing safety and rail travel & tourism issues. For more information about what ORDC does for Ohio, visit our website at <http://www.dot.state.oh.us/ohiorail/>)
